A certificate of inspection of the State Entomologist will accompany each shipment.

COMPLAINTS

Should there be any reason for complaint, we must be notified on receipt of goods, otherwise we cannot entertain it. We make it a point to give all reasonable claims proper consideration.

ORDERS

Orders are accepted upon condition that they shall be void should any injury befall the stock from frost, or other cause over which we have no control.

GUARANTEE OF GENUINENESS

While we exercise the greatest care to have all our trees and plants genuine and reliable, and hold ourselves prepared to replace on proper proof, all trees that may prove untrue, we do not give any warranty expressed or implied; and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the stock.

We guarantee all our stock to be in good condition on leaving our hands, but we do not guarantee it to grow under all conditions, nor do we make up any loss whatever due to climate effects, or after culture on the part of the purchaser, and the risks of transportation are to be borne by purchaser. When losses occur by detention, claims should be at once made on forwarders.
